**0240-3-1-.01 INSTITUTION POLICY STATEMENT.**

- (1) University students are citizens of the State, local and national governments, or are citizens of other countries, and of the academic community, and are, therefore, expected to conduct themselves as law-abiding members of each community at all times. Admission to an institution of higher education carries with it special privileges and imposes special responsibilities apart from those rights and duties enjoyed by non-students. In recognition of the special relationship that exists between the institution and the academic community which it seeks to serve, the Tennessee Board of Regents has authorized the President of the University to take such action as may be necessary to maintain campus conditions and preserve the integrity of the institution and its educational environment.
- (2) Pursuant to this authority, the University has developed the following Regulations known as the Code of Student Conduct intended to govern student conduct on the Austin Peay State University campus. In addition, students are subject to all federal, state and local laws and ordinances. If a student's violation of such laws or ordinances also adversely affects the institution's pursuit of its educational objectives, the institution may enforce its own regulations regardless of any proceedings instituted by other authorities. Conversely violation of any section of these Regulations may subject a student to disciplinary measures by the institution whether or not such conduct simultaneously violates state, local or national laws.
- (3) Disciplinary action may be taken against a student for violations of the foregoing Regulations which occur on University owned, leased, or otherwise controlled property, or which occur off campus when the conduct impairs, interferes with, obstructs any University activity or the missions, processes and functions of the University. In addition, disciplinary action may be taken on the basis of any conduct, on or off campus, which violates local, state, or federal laws, which violates University policies for Student Organizations, or which poses a substantial threat to persons or property within the University Community,
- (4) For the purpose of these Regulations, a "student" shall mean any person who is registered for study at Austin Peay State University for any academic period. A person shall be considered a student during any period which follows the end of an academic period which the student has completed until the last day for registration for the next succeeding regular academic period, and during any period which the student is under suspension from the university.

#### **0240-3-1-.03 ACADEMIC AND CLASSROOM MISCONDUCT.**

- (1) The instructor has the primary responsibility for control over classroom behavior and maintenance of academic integrity, and can order the temporary removal or exclusion from the classroom of any student engaged in disruptive conduct, or conduct violative of the general rules and regulations of the institution. Extended or permanent exclusion from the classroom or further disciplinary action can be effected only through appropriate procedures established by the division of Student Affairs.
- (2) Academic dishonesty may be defined as any act of dishonesty in academic work. This includes, but is not limited to, plagiarism, the changing or falsifying of any academic documents or materials, cheating and the giving or receiving of unauthorized aid in tests, examinations, or other assigned work. Students guilty of academic misconduct, either directly or indirectly through participation or assistance, are immediately responsible to the instructor of the class. Penalties for academic misconduct will vary with the seriousness of the offense and may include, but are not limited to, a grade of “F” on the work in question, a grade of “F” for the course, reprimand, probation, suspension, and expulsion.
- (3) If the student believes that he or she has been erroneously accused of academic misconduct and if his or her final grade has been lowered as a result, the student may appeal the case through the Academic Grievance Procedures.
- (4) Disruptive behavior in the classroom may be defined, but is not limited to, behavior that obstructs or disrupts the learning environment (e.g., offensive language, harassment of students and professors, repeated outbursts from a student which disrupt the instruction or prevent concentration on the subject taught, failure to cooperate in maintaining classroom decorum, the presence of non-enrolled visitors in the classroom [see APSU Policy No. 3:032, Minors on Campus Policy], etc.), the continued use of any electronic or other noise or light emitting device which disturbs or interrupts the concentration of others (e.g., disturbing noises from beepers, cell phones, palm pilots, lap-top computers, games, etc.)

(Rule 0240-3-1-.03, continued)

consequences that are outlined by individual faculty members in the printed syllabus for each course.

Students are expected to attend class regularly and on time and are responsible for giving explanations/rationale for absences and lateness directly to the faculty member for each course in which they are enrolled. In cases where student absences are the result of emergency circumstances (e.g., death in the family, a student's serious injury or incapacitating illness), for which students are unable to make immediate contact with faculty, the student may contact the Central Student Affairs office for assistance in providing such immediate notification to faculty. However, the student remains responsible for verifying the emergency circumstances to faculty and for discussing arrangements with faculty for possible completion of coursework requirements, if feasible.

#### 0240-3-1-.04 DISCIPLINARY SANCTIONS.

- (1) Upon a determination that a student or organization has violated any of the rules, regulations or disciplinary offenses set forth in these regulations, the following disciplinary sanctions may be imposed, either singly or in combination, by the appropriate institution officials. (Note: The final results of disciplinary proceedings, as the term 'final results' is defined by Tennessee Law, in which the student perpetrator is deemed to have committed a violation of the University's student disciplinary rules for an offense that includes violent acts or nonforcible sex offenses, as defined by Tennessee Law, may be released without permission of the student perpetrator.)
- (2) Definition of Sanctions.
  - (a) Restitution. A student who has committed an offense against property may be required to reimburse the institution or other owner for damage to or misappropriation of such property. Any such payment in restitution shall be limited to actual cost of repair or replacement.
  - (b) Reprimand. A written reprimand or censure may be given to any student or organization whose conduct violates any part of these regulations. Such a reprimand does not restrict the student or student organization in any way but does have important consequences. It signifies to the student or student organization that each is being given another chance to conduct themselves as a proper member of the University community, but that any further violation may result in more serious penalties.
  - (c) Restriction. A restriction upon a student's or organization's privileges for a period of time may be imposed. This restriction may include but is not limited to the following: denial of the right to represent the institution in any way, denial of the use of University facilities and/or parking privileges, restriction of participation in extracurricular activities, restriction of organizational privileges including registration and restriction of the transfer of academic credit from another institution.
  - (d) University Probation. Continued enrollment of a student on probation may be conditioned upon adherence to these regulations. Any student placed on probation will be notified of such in writing and will also be notified of the terms and length of probation. Probation may include restrictions upon the extracurricular activities of a

(Rule 0240-3-1-.04, continued)

student. Parents or legal guardians may be notified. Any conduct in violation of these regulations while on probationary status may result in the imposition of a more serious disciplinary sanction.

- (e) Suspension. If a student is suspended, he or she is separated from the University or from a class for a stated period of time with conditions for readmission stated in the notice of suspension. Parents or legal guardians may be notified.
- (f) Expulsion. Expulsion entails a permanent separation from the University. The imposition of this sanction is a permanent bar to the student's readmission to the University. Parents or legal guardians may be notified.
- (g) Interim or Summary Suspension. Though as a general rule, the status of a student accused of violations of these regulations should not be altered until a final determination has been made in regard to the charges against him or her, summary suspension may be imposed upon a finding by the appropriate University official that the continued presence of the accused on campus constitutes an immediate threat to the physical safety and well-being of the accused or of any other member of the University community or its guests, destruction of property, or substantial disruption of classroom or other campus activities. A final determination of the charges against any student summarily suspended shall be made through appropriate hearing procedures within ten (10) class days of such suspension during which time the accused shall forfeit all rights and privileges as a student of the University. Parents or legal guardians may be notified.
- (h) Housing Probation. A resident placed on housing probation is deemed not to be in good standing with the housing community, and his/her continued residence is conditioned upon adherence to these Regulations and the Housing Contract. Any resident placed on probation shall be notified in writing of the terms and length of the probation. Parents or legal guardians may be notified. Any conduct of a similar or more serious nature in violation of the probation shall result in suspension from housing.
- (i) Housing Suspension and Forfeiture. A resident suspended from housing may not reside in, visit, or make any use whatsoever of a housing facility or participate in any housing activity during the period for which the sanction is in effect. A suspended resident shall be required to forfeit housing fees (including any unused portion thereof and the Housing deposit). A suspended resident must vacate the housing unit within forty-eight (48) hours. Housing suspension shall remain a part of the student's disciplinary record. Parents or legal guardians may be notified.
- (j) Service to the University. A student may be required to donate a specified number of service hours to the University, by way of performing reasonable tasks for the appropriate University office or officials. This service shall be commensurate to the offense the student is guilty of violating (i.e., service for maintenance staff for defacing University property).
- (k) Special Educational Program. A student may be required to participate in any special educational programs relevant to the offense, to attend special seminars or educational programs, or to prepare a project or report concerning a relevant topic.
- (l) Interim or Summary Suspension from Campus Housing. Though as a general rule, the status of a student accused of violations of these regulations should not be altered until a final determination has been made in regard to the charges against him or her, interim suspension from campus housing may be imposed upon a finding by the appropriate University official that the continued presence of the accused in Austin Peay State University housing constitutes an immediate threat to the physical safety

(Rule 0240-3-1-.04, continued)

and well-being of the accused, or of any other member of the University community or its guests, or the destruction of property. A final determination of the charges against any student summarily suspended from campus housing shall be made through appropriate hearing procedures within seven (7) class days of such housing suspension during which time the accused shall forfeit the right to reside in or visit campus housing facilities. The accused shall be permitted to attend classes during this interim period. Parents or legal guardians may be notified.

- (m) Referral for Intervention, Assessment and/or Counseling. The student is mandated to visit the appropriate University official for an initial intervention and assessment which may be followed by required participation and a prescribed plan of action or treatment plan. Parents or legal guardians may be notified.
  - (n) Fines. Penalties in the form of fines may be enforced against a student or an organization whenever the appropriate hearing officer(s) or hearing body deems appropriate. The sanction of fines may be imposed in addition to other forms of disciplinary sanctions. Failure to pay fines to the Business Office within two weeks of the decision will result in further disciplinary action.
  - (o) Letter of Apology. A student or student organization may be required to write a letter of apology to the University or its guests, another student or student organization, faculty or staff member, or any other constituent affected by the behavior for which the student or student organization has been found responsible. The letter shall be written and sent within seven (7) class days of notification of sanction and copied to the appropriate hearing body or official.
- (3) The President of the University is authorized, in his or her discretion, to subsequently convert any sanction imposed to a lesser sanction, or to rescind any previous sanction, in appropriate cases.

#### **0240-3-1-.05 DISCIPLINARY PROCEDURES.**

- (1) Alternative Hearing Procedures.
  - (a) Procedures Conforming to the Tennessee Uniform Administrative Procedures Act. All cases which may result in (i) suspension or expulsion of a student from the University for disciplinary reasons, or (ii) revocation of registration of a student organization during the term of the registration are subject to the contested case provisions of the Tennessee Uniform Administrative Procedures Act (TUAPA) and shall be processed in accordance with the uniform contested case procedures adopted by the Board of Regents, unless the student or student organization waives those procedures in writing and elects to have his or her case heard by the University Hearing Board.

(Rule 0240-3-1-.05, continued)

in accordance with Institutional Hearing Procedures. The University has established two alternative Institutional Hearing Procedures:

1. A hearing conducted by one or more Student Affairs Administrators; or
2. A hearing conducted by the University Hearing Board. (Note: This option shall be available until the final ten (10) class days of each semester, or the final five (5) class days of the second summer term, during which time all disciplinary hearings will be conducted by appropriate Student Affairs Administrators, except those subject to TUAPA procedures as selected by the accused student or student organization.)

(c) Cases which are not subject to the contested case procedures under the Tennessee Uniform Administrative Procedures Act and which involve very minor first offenses by students or student organizations may be discussed informally with students or student organizations. In such cases, no formal record will be maintained in the judicial records of the University. The University official responsible for conducting this Informal Disciplinary Discussion shall note the name of the student or student organization involved in his/her personal records. The purpose of this notation is only to determine a student's or student organization's prior involvement in a minor offense, when and if a second offense occurs at a later date. If the student or student organization is subsequently involved in another violation of regulations, at the discretion of the hearing body, this Informal Record will become a part of the student's or student organization's Formal Disciplinary Record.

All other formal cases shall be heard by the Dean of Students for Student Affairs, or appropriate designee, except in cases where such staff member is unavailable or has a bias toward either party in the pending case. In such cases, the Senior Student Affairs Officer shall assign one or more Student Affairs Administrators to hear the case.

(Rule 0240-3-1-.05, continued)

the procedure to be followed by completing and signing an Election of Procedure form and/or waiver form. Once the election shall be made, the decision is final and may not be changed during the pendency of the matter.

- (d) Cases of alleged sexual assault. Regardless of the procedure elected, in cases involving alleged sexual assault, both the accuser and the accused shall be informed of the following:
  - 1. Both the accuser and the accused are entitled to the same opportunity to have others present during a disciplinary proceeding; and
  - 2. Both the accuser and the accused shall be informed of the outcome of any disciplinary proceeding involving allegations of sexual assault.

  - (d) An appeal in writing setting forth grounds for the appeal and addressed to the appropriate appellate authority (as outlined in the next section) must be received in the Office of the Senior Student Affairs Officer within three (3) class days after the student is notified of the sanction imposed at any hearing or appellate level.

    - 1. Honors and leadership organizations and recognition societies;
    - 2. Departmental organizations and professional fraternities and sororities;
    - 3. Social fraternities and sororities; and

2. The University shall not be responsible for injuries or damages to persons or property resulting from the activities of student organizations, or for any debts or liabilities by such organizations.
3. No student organization shall deny membership to any person on the basis of age, race, sex, religion, handicap, veteran status or national origin, provided the social fraternities and sororities may have sex restricted membership.
4. No student organization or individual shall engage in or condone any form of hazing. (See statement on hazing in section on Disciplinary Offenses.)
5. 8. Student organizations that sponsor events off campus, where alcoholic beverages are present and available for consumption, must adhere to all local, state and national laws concerning alcoholic beverages and must follow the University's risk management guidelines for student organizations.

(c) Sanctions Against Student Organizations. #### **0240-3-1-.06 SMOKING/CLEAN AIR POLICY ENFORCEMENT**

- (1) A student found smoking in an unauthorized area can be charged with violating 2.(q) of the APSU Code of Student Conduct, which states: "Violation of general rules and regulations. Any violation of the general rules and regulations of the University published in an official University publication, including the intentional failure to perform any required action or the intentional performance of prohibited actions."
  - (a) Enforcement of this policy will be provided primarily by Public Safety with assistance from University officials.
  - (b) A student may be charged even if he/she extinguishes the cigarette/cigar/pipe -seeing the student smoking in an unauthorized area is sufficient.
  - (c) Students seen smoking in non-designated areas will be required to produce their APSU Gov's Card upon request.
    1. If the student does not have the Card on his/her person, he/she will be asked for an alternative picture ID. Student may be charged with 2.(h) of the APSU Code of Student Conduct, which states: "Misuse of Austin Peay State University documents of identification. Any .., failure to carry the APSU ID card at all times or to show it upon proper request."
    2. If the student refuses to produce their APSU Gov's Card and/or another form of picture ID, then he/she may additionally be charged with 2.(p) of the APSU Code of Student Conduct which states: "Failure to cooperate with University officials: Failure to comply with directions of University officials in the performance of their duties."
    3. A student on APSU property, without any identification, may be detained by Campus Police and/or denied access to the campus.
  - (d) Students who are verbally abusive or threatening toward any person attempting to enforce the policy may be charged with additional violations such as 2.(c) of the APSU Code of Student Conduct, Harassment, and/or 2. (d) of the APSU Code of Student Conduct, disorderly conduct.
  - (e) Public Safety will issue a citation to the student for violation of the policy. The citation will contain information regarding the possible penalties and disciplinary process.

(Rule 0240-3-1-.06, continued)

- (f) A campus official or student observing the violation should complete a Disciplinary Complaint Form in the Central Student Affairs Office. This will result in a citation being issued to the student accused of violating the policy.
  - (g) Students will be cited for violation of the policy and fined as provided for in the Code under disciplinary sanction 2.(n): "Fines. Penalties in the form of fines may be enforced against a student . . . whenever the appropriate hearing officer(s) or hearing body deems necessary. The sanction of fines may be imposed in addition to other disciplinary sanctions. Failure to pay fines to the Business Office within two weeks of the decision will result in further disciplinary action." If the student pays the fine, then there is an inherent assumption that the student is pleading guilty, and the hearing officer, as the chief judicial officer, is imposing the sanction.
  - (h) There will be graduated fines automatically imposed for violation of the policy:
    - 1. First Offense - \$25.00;
    - 2. Second Offense - \$50.00; and
    - 3. Third Offense or more - \$100.00 and referral for Formal Disciplinary Charges.
  - (i) A faculty or staff member found in violation of the policy will be subject to employee disciplinary procedures.
  - (j) Non-students violating the Smoking/Clean Air Policy may be charged with trespassing.
- (2) Appeal Process.
- (a) Upon receipt of a citation, a student has three (3) class days to submit a written appeal. Appeals submitted after three (3) days will not be considered.

  - (c) The issuing official will be afforded the opportunity to comment on appeals before being presented to the appeal authority.
  - (d) In addition to the Student Tribunal's authority to adjudicate traffic and parking violations, the Student Tribunal also shall hear and decide all cases involving the appeal of smoking violation citations by students. The Tribunal will consist of a minimum of three (3) members and decide by majority vote.
  - (e) The Tribunal will meet, at a minimum, every two (2) weeks and report findings in writing to the student, the chief judicial officer and the Business Office.

#### **0240-3-1-.07 TRAFFIC AND PARKING REGULATIONS.**

- (1) Purpose. The purpose of these regulations is to facilitate the orderly and efficient flow of traffic on campus, to provide a safe atmosphere with regards to both pedestrians and other motor vehicle operators, and provide order with regards to parking within our limited space allocations.

(Rule 0240-3-1-.07, continued)

(2) General.

- (a) Every Austin Peay State University student, faculty and staff member who chooses to park a vehicle on campus at any time must obtain and display a current, valid parking decal. All members of the campus community will be afforded the opportunity to become familiar with these regulations. All persons receiving a parking decal will be offered a copy of the parking regulations along with a detailed map of parking locations by category. Persons are expected to read and familiarize themselves with these regulations. Accordingly, when found in violation, ignorance of these regulations is no excuse or defense.
- (b) The President and Vice President for Finance and Administration directs all matters concerning traffic and parking on campus, unless delegated to the Director of Public Safety/Chief of Campus Police. The Director/Chief is responsible for the enforcement of these regulations. The Director/Chief is authorized to selectively enforce or not enforce certain regulations and parking categories based on special events and circumstances that require special accommodation.
- (c) Austin Peay State University assumes no responsibility for the care and protection of any vehicle or its contents while parked or driven on University property. In addition, the University assumes no responsibility for the care or protection of any vehicle or its contents if it is immobilized, towed and removed, or stored for violation of these regulations.
- (d) Persons are entitled to only one category of parking decal at a time. Persons will be identified based on their primary affiliation with the University - either student or faculty/staff. Graduate assistants and part-time student workers, for instance, are not entitled to faculty/staff decals. Decals are not transferable and not authorized for use by a person other than to whom issued, particularly by a person in a different parking category. Only those persons who are neither students nor faculty/staff, are entitled to visitor passes.
- (e) Austin Peay State University acknowledges that there are a limited number of parking spaces within the immediate vicinity of many facilities. Notwithstanding, there are a sufficient number of total spaces on campus grounds and adjacent city streets for everyone to park legally. Possession of a valid parking decal provides the recipient a right to secure available, legal parking on campus - it is not a guarantee for parking in particular locations or in particular categories of spaces. The limited number of designated spaces for visitors, residence hall students, faculty/staff and disabled persons mandates stringent enforcement of parking regulations. Everyone is encouraged to respect the rights of others, and to allow sufficient time, usually a maximum of 5-10 minutes, to walk from available parking spaces to classrooms or facilities. A security escort service is available to students by calling Campus Police at 221-7786.
- (f) Vehicles parked on campus are required to be maintained in operating condition. No maintenance involving replacement of major components such as engines, or the replacement of hazardous fluids such as oil and transmission fluid, is authorized without consent of Director of Safety/Chief of Campus Police. Vehicles not maintained in operating condition and left un-moved for extended periods of time will be considered abandoned, and disposed of consistent with state law.
- (g) Persons are responsible for citations incurred with their decals and/or vehicles. Persons will also be held liable for violations incurred by a vehicle, when that vehicle is reasonably shown to be associated with the person. Examples include vehicles shown

(Rule 0240-3-1-.07, continued)

to be registered to spouses or family members of students/faculty/staff. This will not be confused with the right to first obtain a visitor pass or request a second decal in the provisions below.

- (h) A campus access fee will be charged to all main-campus students. The campus access fee is included in the general access fee on the students' statement of account. All University employees will be charged a campus access fee for each issued parking decal.
- (3) Parking zones, authorized overflow areas and hours of enforcement. The University will assign and publish a color-coded list or otherwise-designated markings for the following categories:
- (a) Faculty and Staff Spaces. These spaces are also authorized for those with visitor passes and disabled decals at all hours. Parking in faculty/staff spaces is not enforced on days when the University is officially closed (weekends, holidays, etc.), and not enforced from 5:00 p.m. through 6:00 a.m. when school is in session. Faculty/staff spaces associated with any on-campus faculty/staff housing, however, are enforced on a twenty-four (24) hour basis.
  - (b) Residence Hall Student Spaces. These spaces are enforced on a twenty-four (24) hour basis whether classes are held or not. Only those with valid residence hall parking decals, valid disabled parking decals, and visitor passes issued only by Public Safety/Campus Police expressly for that category, are authorized to park in those spaces. Residence hall spaces will be broken into further color-coded categories, and resident students may only park in the colored-coded spaces that are associated with their residence hall. When necessary, specific parking spaces will be designated in commuter lots for overflow residence hall parking.
  - (c) Commuting Students and Married Housing Spaces. These spaces are also authorized for visitors with passes, those with disabled parking decals, and residence hall parking decal holders only in specific lots. Commuting spaces are enforced only between the hours of 6:00 a.m. and 5:00 p.m. on days when classes are in session.
  - (d) Visitor Spaces. Visitor spaces will not be issued to or used by current faculty, staff, or students. Visitor spaces are enforced between the hours of 6:00 a.m. and 5:00 p.m. on days when classes are in session.
  - (e) Emergency/Public Safety and Physical Plant/Maintenance Spaces. As a matter of public safety and the need to conduct critical maintenance in support of university operations, all but these types of official vehicles are forbidden to park in these spaces on a 24-hour basis.
  - (f) Yellow curbs and yellow bumper blocks. No parking is permitted on yellow curbs or at yellow bumper blocks at any time.
- (4) Obtaining and displaying parking decals and passes.
- (a) General:
    - 1. All parking decals expire annually on August 31.
    - 2. Hanging parking decals are issued to persons, not vehicles, and are not required to be permanently affixed to a vehicle. Persons in valid possession of a parking decal may drive any conveyance, if legally registered, insured, and in safe operating condition, with their parking decal displayed. Persons are encouraged

(Rule 0240-3-1-.07, continued)

but not required to provide specific vehicle information on the registration form to aid campus police in the identification of their vehicle for administrative or emergency purposes.

3. Second parking decals. Because parking decals may be used on any vehicle desired under control of the operator/decal holder, only Emerald Hills/married housing students and families qualify automatically for a second parking decal. Only students/faculty/staff that present extraordinary circumstances in writing, approved by the Director/Chief, are authorized a second parking decal. Persons authorized a second parking decal will be assessed an additional campus access fee. Everyone is reminded and encouraged to use the temporary and visitor pass provisions below when desired.

- (b) Faculty/staff parking decals. Faculty and staff complete registration and render payment at the Business Office.
- (c) Student parking decals. Parking fee is included in the general access fee on student financial statements. Students complete registration with the Campus Police Department at the Shasteen Building or at announced additional locations at the beginning of the academic year.
- (d) Disabled Persons parking. Disabled parking decals are issued to qualified students/faculty/staff in lieu of any other decal. Decals are obtained from Public Safety/Campus Police upon the presentation of a license or placard issued by any state specifically to the person requesting the decal. Temporary disabled permits are issued under the authority of the Director of Health Services and entitle the bearer to the same parking privileges for short periods of time.
- (e) Visitor parking permits. Visitor parking permits will be issued by Public Safety/Campus Police at the Shasteen Building, and may also be issued by the Directors of Admissions, Advancement, Alumni Affairs, and the University Center. Visitor parking permits will only be issued in hard, color copy, and will not be forwarded to any other party electronically. In addition to designated visitor spaces, visitors with parking permits may use all legal parking spaces on campus, except residence student spaces. Only Public Safety can issue visitor parking permits authorized for use in residence hall spaces.
- (f) Temporary parking decals. Unlike visitor parking decals, temporary parking decals are issued to members of the campus community who otherwise qualify for a regular parking decal. Temporary parking decals are issued by Public Safety/Campus Police for a maximum of fourteen (14) days and are assigned a specific category and/or color code.
- (g) Displaying the parking decal/permit. Parking decals designed to be hung from rear-view mirrors will be so displayed, and/or affixed to the inside in the center of the windshield, with registration number facing out. The hanging parking decal system, provided as a convenience at the request of the campus community, presents potential abuses and a challenge to enforcement. The success of the program rests on the requirement to enforce the display of parking decals at all times while on campus.
- (h) Lost or stolen parking decals/permits. Lost or stolen parking decals/permits must be reported immediately to Public Safety/Campus Police. A temporary parking decal will be issued for fourteen (14) days. If the original parking decal is not recovered during that time, the operator will obtain and pay for a new parking decal.

(5) Violations.

(Rule 0240-3-1-.07, continued)

- (a) Moving violations. Note: Campus Police are commissioned and authorized to enforce all state motor vehicle laws on university property and all roads contiguous to campus. They are authorized to issue either a State or University citation when both state law and university regulations are violated in the following cases:
  - 1. Failure to obey stop sign or traffic signal.

Persons who receive more than three (3) citations in one semester, regardless of status of appeals under the provisions below, may be subject to action under the provisions of student/employee disciplinary procedures, and are subject to having their vehicle immobilized ("booted").
    1. When a vehicle is booted, no attempt will be made to remove or damage the boot. Attempts to drive the vehicle while the boot is emplaced are hazardous and will result in vehicle damage.
    2. Persons whose vehicle has been immobilized will report to Public Safety/Campus Police, where they will be given a processing form. Persons will document with the business office that all previous fines have been paid or appealed, and will document a meeting with their respective Vice President or designated representative.
    3. Upon completion of the form, persons will present the form to Public Safety/Campus Police, and the boot will be removed.
    4. Persons who do not make provisions to complete the above requirements within seven (7) calendar days, will have their vehicle towed under the provisions outlined below.
  - (b) Towing and impoundment.
    1. Vehicles are subject to tow if:

(Rule 0240-3-1-.07, continued)

- (i) The vehicle has already been immobilized once for repeat violations, and subsequently found in violation again.
    - (iii) It could not be immobilized previously due to mechanical or technical reasons, and in lieu of immobilization, the operator was warned that the next offense would result in towing; and following that, the vehicle was subsequently found in violation again.
    - (iv) Parked in an area marked as a “tow-away” zone for publicly announced events or activities, including but not limited to, areas designated for motorcycle/driver training, and Gov’s Club parking for athletic events.
  - 2. Vehicles will be towed and impounded by a licensed and bonded towing service contracted by the University. Persons whose vehicles are towed, are responsible for settling towing and storage fees directly with the towing service.

  - 4. Persons whose vehicles are towed after repeat violations and after having been immobilized once, are subject to immediate revocation of parking privileges for the remainder of the semester/term.   - (a) Fines:
    - 1. Fines are paid through the University Business Office and cannot be accepted at Public Safety/Campus Police.
    - 2. Posting of fines from Public Safety/Campus Police to the Business Office normally takes three to five (3 to 5) working days.
    - 3. Failure of students to satisfy payment of fines will result in withholding grades, transcripts, and the ability to register for subsequent semesters. Faculty/staff must satisfy payment of fines during the semester/term the fine was incurred. Failure to do so may result in a payroll deduction.
  - (b) Appeals:
    - 1. General.
      - (i) Upon receipt of a citation, persons have three (3) class days to submit an appeal. Appeals received outside that window will not be considered.
